1. Introduction and Scope

Welcome to **Salary Anytime** (the 'Company' or 'Salary Anytime'). Salary Anytime is a leading fintech platform providing innovative financial solutions and services to customers across India.

We respect the privacy of everyone who visits Salary Anytime's website (www.salaryanytime.com) and other digital platforms including our mobile applications (hereinafter together referred to as "Salary Anytime Platforms") and we are committed to protecting personal information.

This Privacy Policy applies to Salary Anytime, its subsidiaries and to all visitors on the Salary Anytime Platforms and the users of Salary Anytime Platforms. For the purpose of this Privacy Policy, the term "You", "Your", "User" shall mean any natural or legal person including online and offline clients visiting the Website or using our mobile applications and the term "We", "Us", "Our" shall mean Salary Anytime and its Subsidiaries.

Use of the Website or Our mobile applications signifies your acknowledgement and free and unconditional consent to this Privacy Policy. If, however, You object to Your information being used, processed and transferred by Us in any manner, please do not share Your information on Salary Anytime Platforms.

Important: This Privacy Policy is not intended to and does not create any contractual or other legal rights in favour of any user or viewer of the Salary Anytime Platforms or any other party.

2. Types of Personal Information Collected

We may, for the purpose of rendering services, collect personal information in the following categories:

A. Information Collected Automatically

If You visit/log into Our website just to browse, read pages or download information, certain information regarding Your visit is automatically stored on our systems. This information cannot and does not identify You personally.

- Type of browser You are using (e.g. Internet Explorer, Firefox, Chrome, Safari, etc.)
- Type of Operating System You are using (e.g. Windows, Mac OS, Android, iOS, etc.)
- Domain name of Your Internet Service Provider
- Date and time of Your visit
- Pages accessed on Our website
- Duration of Your visit
- IP address and device identifiers
- Referrer information and browsing patterns

We use this information to improve Our website design and content, primarily to provide You with a better browsing experience.

B. Information Provided Directly by You

Information may be provided by You directly when you use our services:

Category	Details
Identification Information	Name, gender, address, contact number, date of birth, marital status, email address
KYC Information	PAN, KYC documents, Signature, Photograph, Aadhaar number
Financial Information	Bank account details, income information, credit history
Transaction Information	Financial transaction details, payment history, loan applications
Device Information	Device model, OS version, unique device identifiers
Location Information	GPS location data when location services are enabled
Media Information	Documents and photographs uploaded for verification
Contact Information	References provided during loan journey

3. Information Collected Automatically

The following Log File Information is stored automatically on our systems:

- The type of browser You are using (e.g. Internet Explorer, Firefox, Chrome, Safari)
- The type of Operating System You are using (e.g. Windows, Mac OS, Android, iOS)
- The domain name of Your Internet Service Provider
- The date and time of Your visit
- The pages on Our website that You visit
- The duration of Your visit to specific pages
- Your IP address
- Referrer information (how you accessed our site)
- Your browsing and interaction patterns on the site
- Cookies and similar tracking technologies

This information helps us understand user behavior, improve website performance, and provide better services. This data is used for analytics and optimization purposes only.

4. Information Provided Directly by You

You may voluntarily provide personal information to us when you:

- Create an account on our platform
- Apply for a loan or financial product
- Complete KYC (Know Your Customer) verification
- Submit documents for verification
- Contact our customer support
- Participate in surveys or feedback
- Use any of our services

The types of information you may provide include:

- **Identification Information:** Name, gender, residential/communication address, contact number, date of birth, marital status, email address
- **KYC and Identity Documents:** PAN, Aadhaar, Driving Licence, Passport, Voter ID
- **Financial Information:** Bank account details, income information, employment details, credit history
- **Transaction Information:** Financial transaction details for credit risk assessment and transaction monitoring
- **Media Information:** Documents and photographs uploaded for account management and verification
- **Any other detail which may be required by Us for providing such services**

5. Mobile Application Permissions

Salary Anytime's mobile application ("App") may request certain permissions to enhance Your user experience, ensure security, and comply with regulatory requirements. Below is a detailed explanation of the permissions We request and their purposes:

Permissions Requested by the Salary Anytime Mobile Apps

Internet & Network Access:

Ensures secure and stable connection for transactions, account updates, and online services.

Notifications:

Sends important notifications about Your account, transactions, service updates, security alerts, and promotional offers.

Device Information:

Accesses device identifiers for security purposes, fraud prevention, and seamless user experience.

Storage Access:

Enables reading and saving files securely for KYC verification and downloading transaction receipts.

Location Services:

Provides location-based services, fraud prevention, regulatory compliance, and service customization.

Camera:

Takes photos of documents for KYC verification and proof of identity/address.

Automatic OTP Fetch:

Automatic reading of One-Time Passwords for streamlined login and transaction authentication.

Microphone:

Used for video KYC verification and customer support voice interactions.

Purpose of Permissions

- Enhancing Your user experience

- Ensuring the security of Your account and transactions
- Meeting regulatory compliance requirements
- Providing analytics to improve Our services
- Implementing security measures for fraud prevention
- Facilitating customer support and communication
- Enabling video KYC and identity verification

Managing Permissions

You can manage these permissions through your device settings. While some permissions are essential for core functionality, others are optional. Disabling certain permissions may limit some features of the App.

6. Purpose of Collection and Usage of Information

We collect, retain, store and use information only when we reasonably believe it will help administer our business or provide products and services to you. Such information is collected for specified business purposes:

- To provide You with the services that You may require
- To process Your financial and non-financial transaction requests
- To undertake research and analytics for offering or improving Our services
- To check and process Your submitted applications for financial services
- To share updates/changes in Our services and their terms and conditions
- To offer various products, services and promotional information
- To take up and investigate any complaints/claims/disputes
- To respond to Your queries and feedback
- For verification of Your identity and KYC compliance
- To fulfil the requirements of applicable laws/regulations and court orders
- To prevent fraud and ensure account security
- For credit risk assessment and underwriting
- For regulatory reporting to authorities
- To maintain records as per legal requirements
- For customer support and grievance redressal

7. Disclosure of Information

The information provided by You may be disclosed to the following entities for the purposes stated:

- **Regulatory Authorities:** RBI, SEBI, Stock Exchanges, KYC Registration Agencies for transaction processing
- **Business Partners:** Another business entity for business activity, re-organization, or restructuring
- **Judicial and Regulatory Bodies:** Any judicial, statutory or regulatory body as required by law
- **Auditors:** Internal and external auditors for audit and compliance purposes
- **Law Enforcement:** Law enforcement or government bodies for legal compliance and fraud prevention
- **Service Providers:** Third-party service providers for processing transactions, customer support, and analytics
- **Lending Service Providers:** Credit bureaus for credit assessment and reporting
- **Insurance Providers:** Insurance providers for protection products and policy management
- **Collection Agencies:** Authorized collection agencies for debt recovery

Important: We shall not publish sensitive personal data or disclose it further, without Your explicit consent, for any purpose other than stated above. The information collected shall be used for the purpose for which it has been collected.

8. Retention of Information

Salary Anytime shall not retain or store information for periods longer than required except when the information may lawfully be used or is otherwise required under applicable law.

By agreeing to avail services offered by **Salary Anytime**, You have agreed to the collection and use of your Sensitive Personal Data. You always have the right to refuse or withdraw Your consent by contacting Us at privacy@salaryanytime.com.

However, in the event of Your refusal or withdrawal of personal data, You shall not be able to fully avail any services of **Salary Anytime**. Your withdrawal of consent shall not affect Our right to retain relevant loan-related information and transaction records as per applicable laws.

Retention Schedule:

Information Type	Retention Period
Transaction Records	5 years from transaction date (PML Act)
KYC Documents and Identification	5 years after relationship ends
Loan and Credit Records	As per applicable laws
Correspondence and Grievances	3 years from resolution
Account Statements	3-7 years depending on account type
Device and Usage Logs	6-12 months for analytics and security
Video KYC Recordings	5 years for audit and compliance

9. Communications & Notifications

When You use the Website, Our mobile applications or send emails or other communication to us, You agree and understand that You are communicating with Us through electronic mode and You consent to receive communications from Us periodically.

We may send You notifications via:

- Email or electronic mail
- Written hard copy notice
- Conspicuous posting of notice on our Website
- Push notifications on your mobile device
- SMS and WhatsApp messages
- In-app notifications

You may choose to opt out of certain means of notification as You may deem fit by updating your communication preferences or by contacting us at **privacy@salaryanytime.com**. We may still send critical transaction-related and regulatory communications.

10. Updating or Reviewing Your Information

You may, upon written request to us, review the personal data provided by You. You shall ensure that any personal information found to be inaccurate or deficient shall be corrected or amended as feasible.

You can request to:

- Review your personal data held by us
- Correct or update inaccurate information
- Request deletion of information (subject to legal requirements)
- Obtain confirmation of data processing
- Request data portability in machine-readable format
- Withdraw consent for specific data processing

To request any of the above, please contact us with your account details and specific request. We will process your request within 30 days of receipt, subject to verification of your identity.

11. Reasonable Security Practices for Protecting Your Information

We use commercially reasonable physical, managerial, and technical safeguards to preserve the integrity and security of Your personal information:

- **Internal Reviews:** Regular reviews of data collection, storage and processing practices
- **Encryption:** Appropriate encryption of sensitive data in transit and at rest
- **Physical Security:** Physical security measures to guard against unauthorized access
- **Database Security:** All information securely stored within Our controlled database
- **Server Protection:** Secured servers with password-protected access and strict limitations
- **Firewalls:** Firewalls and intrusion detection systems to prevent unauthorized access
- **Regular Audits:** Regular security audits and penetration testing
- **Password Requirements:** Unique and strong password requirements for account access
- **Multi-Factor Authentication:** Multi-factor authentication for enhanced security

You are responsible for maintaining the secrecy of Your unique password and account information, and for controlling access to Your email communications from Salary Anytime, at all times.

Although We use security measures to help protect Your personal information, as is the case with all computer networks linked to the internet, We cannot, however, ensure or guarantee the security of any information You transmit to Us. You do so at Your own risk. Once We receive Your transmission, We make commercially reasonable efforts to ensure the security of such information.

Protection of Minors: Salary Anytime does not knowingly collect data for minors as services are not intended for children under the age of 18. We verify the age at the time of signing up.

12. Your Explicit Consent for Video KYC

By agreeing to avail services offered by **Salary Anytime** and/or using Salary Anytime Platforms, You provide your explicit consent to Us and/or our representatives for conducting Video KYC (VKYC) for identity verification, customer due diligence, and loan processing, to:

- Access the device's camera, microphone, and location as per regulatory requirements
- Recording and storing the VKYC session (audio and video) for audit and compliance
- Collecting and storing Proof of Identity, Proof of Address, and a Live Picture
- Retrieving Aadhaar details via DigiLocker with Aadhaar number redacted
- Processing and analyzing video and biometric data for identity verification
- Storing encrypted copies of KYC documents and video records
- Sharing VKYC data with regulatory authorities as required

You provide Your explicit consent to Us to assign Our rights to any third party service provider for the purpose of VKYC, including specialized video KYC service providers and government agencies.

13. Cookie Policy

Salary Anytime uses cookies on the website (www.salaryanytime.com). By using the Website, You consent to the use of cookies.

What are Cookies? Cookies are small text files placed on your device when you visit our website. They help recognize you, remember your preferences, track browsing patterns, and improve your experience.

Types of Cookies We Use:

- **Session Cookies:** Temporary cookies that expire when you close your browser for login sessions.
- **Persistent Cookies:** Remain on your device to remember your preferences and login information.
- **Analytics Cookies:** Track movements and activities to help improve our services.
- **Marketing Cookies:** Deliver personalized advertisements based on interests.
- **Third-Party Cookies:** Set by partners for analytics, advertising, and other services.

Your Cookie Choices: You can control cookies through your browser settings. Most browsers allow you to refuse cookies or alert you when cookies are being sent. Disabling cookies may affect website functionality.

14. Links to Other Websites

This Privacy Policy does not extend to third party websites linked to Our Website and applications. **Salary Anytime** is not responsible for the content and privacy practices of such linked websites. It is advisable to read each linked website's privacy statement before sharing any information.

When you click on links to third-party websites:

- You are leaving the Salary Anytime platform
- The third-party website's privacy policy applies to your use
- We are not responsible for their privacy practices or content
- You should review their privacy policies independently
- Information provided to third parties is governed by their policies

15. Changes to Our Privacy Policy

Our Privacy Policy may change from time to time. If We change our privacy policies and procedures, We will post the changes on the Website and Our mobile application to keep You updated. Changes shall become effective on the day they are posted on the Website and mobile application respectively.

It is Your responsibility to review this Privacy Policy regularly to check for updates. Your continued use of Salary Anytime Platforms after any modifications indicates your acceptance of the updated Privacy Policy.

16. Grievance Redressal

Any discrepancies and grievances related to the processing and use of Your information can be raised to the grievance officer appointed by **Salary Anytime**.

How to File a Grievance:

- **Email:** Send your complaint to grievance@salaryanytime.com
- **Online Portal:** Use our online grievance portal at www.salaryanytime.com/grievance
- **Phone:** Contact our customer support team at the toll-free number
- **Physical Address:** Write to our registered office address
- **In-App Chat:** Use the in-app support feature in our mobile application

We aim to acknowledge and resolve all grievances within 30 days of receipt. You have the right to request information about your personal data processing or lodge complaints with data protection authorities if you believe your privacy rights have been violated.

17. Contact Us

In case if You may want to share Your concern or have any questions regarding this Privacy Policy, We welcome You to easily reach out to Us through multiple contact options:

Contact Method	Details
Email - Privacy	privacy@salaryanytime.com
Email - Grievance	grievance@salaryanytime.com
